CZECH MECHANICS SENT TO POLAND

WILL REPAIR ENGINES -- Zemedelske Noviny, No 117, 19 May 49

As a result of its close connection with TOR (Lower Silesian Agricultural Technical Service) in Poland, the Czech Zetor Tractor Factory has sent ten trained mechanics to Wroclaw. The mechanics took special tools for repairing internal-combustion engines. They will remain in Lower Silesia 2 weeks and repair machines in individual branches of TOR.

The Zetor Factory soon will also deliver a grinding machine for polishing all types of tractor cylinders. The grinder is to be mounted on a truck so that it can be transported to individual workshops of TOR.

TRANSFER OF WORKERS TO INDUSTRY -- Svobodne Slovo, No 114, 15 May 49

In the last 6 months in Pilsen Kraj 445 people have been transferred from public service to industry. The transfer was accomplished smoothly, and 75 percent registered voluntarily for the change.

WORKERS IN AGRICULTURE -- Prace, No 113, 14 May 49

In 1890 there were 2,374,838 active persons in agriculture and forestry in Bohemia. This number was reduced to 1,319,329 by 1949. The Czechoslovak State Farms employed 30,057 workers in March to work on 300,000 hectares.
